

# Announcement on COVID-19 Vaccination for International Students and the Issuance of Certification of Vaccine

As the vaccination procedure stated below, international students are required to participate in vaccination to prevent the spread of COVID-19 and achieve population immunity.

## 1. In case of no Immunization Record in Korea

### A) Students who have the alien registration number

- Online Reservation: Access the COVID-19 Vaccination Pre-Reservation System (<http://ncvr2.kdca.go.kr>)
- Reservation by phone: Korean Disease Control and Prevention Agency Customer Service (1399) or Yong-in city COVID-19 Vaccination Customer Service Center (031-324-9700)

### B) Students who do not have the alien registration number

- You can visit the Suji Public Health Center to receive a temporary registration number to make your reservation for vaccination

## 2. In case of an Immunization Record in Korea: You can make a reservation online or by phone

- \* **All foreigners can get the COVID-19 booster vaccination(3rd vaccination) 3 months after the 2nd vaccination. Please do not forget to make your reservation for vaccination.**

## 3. In case of Overseas Immunization Record

- **To register your vaccination record, you must visit the Public Health Center with proof of vaccination.**
- The Certificate of Vaccination should include ①Name, ②Date of Birth, ③Vaccine Types ④Immunization Dates, ⑤Institution Name, ⑥The seal of the institution or the relevant national health authorities must be included
  - ※ **You may not register for Overseas Immunization Record unless you have the vaccine certificate.**
  - ※ After registration for the Overseas Immunization record, you may receive a vaccine certificate. (paper copy or 'COOV' application)
